

The background features abstract geometric shapes in shades of blue. A large, light blue shape on the right side resembles a stylized 'V' or a large triangle pointing downwards. Another light blue shape is on the left, also pointing downwards. A darker blue triangle is positioned at the bottom center, overlapping the other shapes.

# APPENDIX 3 VSPS ADVERTISING RULES FOR VIDEO-SHARING PLATFORMS REGULATED BY STATUTE

## Definition

Some VSPs are subject to regulation under the Communications Act 2003 (as amended). The rules in this section apply to those services that are subject to statutory regulation in the UK as set out [here](#).

The rules in this section apply only to advertising that is "marketed, sold or arranged" by a regulated VSP, also referred to as "VSP-controlled advertising". Ofcom has published guidance on VSP-controlled advertising, which may be read [here](#).

## Principle

The rules in Appendix 3 reflect the legal requirements in the Communications Act 2003 (as amended) with which Video-Sharing Platforms ("regulated VSPs") must ensure they comply. Failure to ensure that advertising included in a regulated VSP complies with these rules may result in the matter being referred to Ofcom. If Ofcom concludes that the regulated VSP has contravened the relevant requirements of the Act, this may lead to Ofcom considering imposing a statutory sanction against the regulated VSP.

Advertisements on regulated VSPs are also separately subject to the CAP Code. The marketer, not the regulated VSP, bears the primary responsibility for ensuring compliance with the CAP Code.
